Dear Sir:

EIGHT POLE LOCATIONS
ROBIN HILL ROAD, CHELMSFORD

On July 9, 1920, we were granted locations for eight LEL poles, as shown on plan C-608-A, on what we then thought was High Street, Chelmsford. We now find that the correct name of this street is Robin Hill Road, and wish to straighten our records accordingly.

Under date of May 13, 1927, we applied for abandonment of the eight pole locations in question, secured under the old grant, and are enclosing herewith petition for the same locations under the correct name of the street.

Yours very truly,

THE LOWELL ELECTRIC LIGHT CORPORATION
